

Introduction to Consumer Direct Care Network Colorado (CDCN)

Welcome to CDCN! CDCN provides financial management services for veterans who direct their in-home care through the Veteran Directed Care (VDC) program. This program allows veterans to hire workers to assist them with homemaking, personal care, and other services as identified on a service plan. CDCN assists with hiring workers, paying workers, updating budget utilization, and filing all paperwork with state and federal agencies.

Enrollment Process for Prospective Employees

When a veteran has identified someone they want to hire, CDCN will assist with completing employment forms. All the employment forms have been bundled into an “Employee Enrollment Packet”.

Instructions for completing the forms are presented below. After the packet has been submitted to CDCN, we can process the documents and submit background checks to proper authorities.

Submitting an Employee Enrollment Packet: Completed enrollment documents must be sent to CDCN at the address listed below – via mail, fax or email attachment. You may also take them to the CDCN Colorado office for processing.

Background Check Requirements: All applicants must submit to a criminal background check through the Colorado Bureau of Investigation. CDCN will pay for the cost of the background check. Results are provided to the agency authorizing the veteran’s services. Authorizing agency will determine if there are any disqualifying offenses. Barrier crimes that prevent hiring include:

- Abduction
- Abuse or neglect of a child or adult
- Any violent felony crime (including, but not limited to, rape, sexual assault, homicide, felonious physical assault or felonious battery)
- Crimes that involve the exploitation of a child or an incapacitated adult
- Felony involving an act of domestic violence
- Felony arson
- Felony or misdemeanor crime against a child or incapacitated adult that causes harm
- Felony drug related offenses (within the last five years)
- Felony DUI (within the last five years)
- Hate crimes
- Healthcare fraud
- Kidnapping
- Murder/homicide
- Neglect or abuse by a caregiver
- Pornography crimes involving children or incapacitated adults
- Purchase or sale of a child
- Sexual offenses (including but not limited to incest, sexual abuse or indecent exposure)

Notification from CDCN: After CDCN has reviewed forms for accuracy, and we have received non-disqualifying background check results, we will notify the employee of their official start date. Written authorization will be provided through an “Okay to Work” letter. If an employee starts working prior to receiving written authorization, they will not be paid by CDCN.

Getting Paid

CDCN will pay the employee on behalf of their employer on a bi-weekly basis after processing paper or online timesheets. Payment is made every two weeks through direct deposit to a bank account or pay card. The employee selects their preferred pay option with the “Pay Selection Form” submitted with enrollment materials. CDCN will deduct taxes, and if applicable, other withholdings such as FAMLI benefit and garnishments.

Payroll stubs and W-2s are sent first class mail to the employees address on file or electronically.

Payroll Calendar: The CDCN payroll calendar shows (1) each two-week payroll period, (2) when timesheets are due, and (3) pay dates. Time is due every other Monday. Pay days are on Tuesday. A payroll calendar is provided to the employee and employer with enrollment materials. They are also available on www.consumerdirectveterans.com.

Employees have two options for submitting timesheets, electronic (online) or paper.

Online timesheets are submitted through the CDCN secure web portal: CDCN strongly recommends the use of our online time sheets available through a secure website, www.DirectMyCare.com Online time entry is efficient and reduces errors. Through this process, the employee enters work shift information onto an electronic timecard. At the end of the payroll cycle when paper timesheets would normally be due, the employer will log into the system and approve the employee's time.

Web portal online timesheet instructions are included with enrollment materials.

Paper Timesheets: Paper timesheets are provided with enrollment materials. They are also available online at www.consumerdirectveterans.com.

The timesheet will be processed if:

- Service dates and working times are identified.
- The employee has dated and signed.
- The employer has reviewed, dated and signed.
- The service and hours recorded match authorized hours on the veteran's service plan.

An example of a completed timesheet and instructions for completing a timesheet are also provided. Please follow the instructions when filling out a timesheet. The example should help you avoid making mistakes. Mistakes on a timesheet can cause your pay to be late.

After the timesheet is finished, it should be returned to CDCN by mail, fax or email attachment within the deadlines shown on the payroll calendar.

When are timesheets due?

Timesheets are due to CDCN every Monday by noon. The payroll calendar shows when timesheets are due and when paychecks are issued.

What happens if I'm late getting my timesheet submitted?

Timesheets submitted after the deadline will be processed and paid on the next available pay date.

What happens if there is an error on my timesheet?

CDCN reviews each timesheet carefully. If an error is found, the timesheet will be sent back to the employee for correction.

Employee Injury Reporting

CDCN holds the Workers' Compensation policy and must be informed of any injury in the workplace. Please follow these steps:

1. Get medical help if needed.

- If the injury is serious and life-threatening, someone should call 911.
- If the injury needs medical treatment (but is not life-threatening), the employee should go to an urgent-care clinic or doctor's office. If the employee cannot get to a clinic or a doctor's office, go to the emergency room.

2. Call the CDCN Injury Hotline to report the injury/illness immediately. The employee must call as soon as the injury or illness happens, even if it does not seem serious.

- The Injury Hotline number is **1-877-532-8542**
- **Email: Infosafety@consumerdirectcare.com**
- Injuries can be reported 24-hours a day, 7-days a week.

3. Employee should tell the participant/employer of the injury or illness before leaving work.

In addition, the employee must report injuries that occur away from the workplace to the work injury hotline or email. This is for the employee's safety. CDCN wants to make sure that the injury will not worsen by working. If an injury occurs away from work, please call or email the work injury hotline..
